Şah Çekme ve Tehdit Altındaki Şah

Rakip taşın şahımızı tehdit etmesine **şah çekme** denir. Rakibin şah çekmesi durumunda;
1. Şahımızı kaçarak
2. Araya bir taş koyarak (Bloke etmek) ya da
3. Şahımızı tehtid eden taşı alarak kurtulmamız gerekir. Bu üç yoldan uygun olanını yapmalıyız. Üç yoldan birini yapamıyorsak rakip bizi **mat etmiş** olur.
