Dear Duygu,

I am happy with my new school but I have some problems with my friends here. I love them but I sometimes get angry with them. When we have group homework Esra never comes on time and she never studies according to my plan. Moreover,I want to study details first but she doesn't want.

Melis is my another friend. I like Melis but I feel sorry for her. She always reads aloud while studying but she always fails in exam.

I am waiting for your advice.

Best wishes.

Ceren.
